

The background of the certificate is a photograph of several runners participating in a marathon. They are running on a paved path that runs alongside a large, dark steel bridge with a complex lattice structure. The runners are in motion, with their legs and arms captured in various stages of their stride. The lighting suggests it might be early morning or late afternoon, with long shadows and a warm glow. The bridge's structure dominates the upper half of the image, creating a sense of scale and location.
